To Whom It May Concern,

I, [Your Full Name], am writing to express my intent to apply for the Portugal D8 Visa. I am a [Freelancer/Remote Worker/Digital Nomad], and I wish to relocate to Portugal to benefit from its dynamic environment while continuing my professional career.

I have been working remotely for [X years/months] as a [mention your profession, e.g., software developer, designer, consultant, etc.], serving clients primarily from [mention countries or regions where your clients are located]. My work allows me to earn a stable income, and I am confident in my ability to sustain my financial needs through my remote work from Portugal.

I have carefully reviewed the financial requirements for the D8 visa, and I confirm that I meet the minimum monthly income threshold of €3,280, as well as the required savings of €9,840 for a single applicant. My financial resources are well-documented, and I am prepared to provide evidence of my income and savings as requested.

In addition to my professional qualifications and financial stability, I am deeply drawn to Portugal for its rich culture, vibrant lifestyle, and excellent quality of life. The country's beautiful landscapes, affordable living, and the opportunity to be part of a thriving digital nomad community make Portugal an ideal place for both personal and professional growth.

I also plan to bring my [spouse/partner/children] with me, which aligns with the requirements outlined for family inclusion under the D8 visa. As a family, we are eager to experience Portugal's unique lifestyle and contribute to its community.

I am committed to complying with all the requirements of the D8 visa and ensuring that I have the necessary health insurance, travel insurance, and other documents required for my stay in Portugal. I will also obtain the required Portuguese Tax Identification Number (NIF) and open a bank account in Portugal to facilitate my financial operations while residing in the country.

Thank you for considering my application. I look forward to the opportunity to live and work in Portugal, and I am happy to provide any additional information or documentation needed to support my application.

Sincerely,
